## EDITOR'S NOTES

Featured in this issue are twelve major articles written on a wide range of subjects and authored by some of the most able Wesleyan scholars. A particularly extensive array of book reviews is also featured.

Special awards were given to Charles Edwin Jones (Smith-Wynkoop Book Award) and Rob L. Staples (Lifetime Achievement Award) at the 2008 annual meeting of the Wesleyan Theological Society that convened on the campus of Duke University Divinity School in March, 2008. The formal tributes to these outstanding Wesleyan theologians/historians/bibliographers are reproduced here. Major papers from that annual meeting, including the two keynote presentations and the presidential address, will appear in the spring 2009 issue.

Whatever information is needed about the Wesleyan Theological Society is readily available. The WTS web site is [Wesley.nnu.edu/wts](http://Wesley.nnu.edu/wts).
